

I am pleased to announce that I have joined the 7 Second System group.

7 Second System focuses on making practice management software into real world solutions. By understanding a firm's practice, business and industry needs, they can help implement a solution that meets the practice's requirements.

7 Second System has experience with hundred of legal and professional service firms and thousands of users. There are certified independent consultants on Time Matters, Billing Matters, PCLaw and Hot Docs.

The company believes that a practice management solution that takes months to implement and train on, is not a solution. The 7 Second System is designed to get you up and running quickly.

7 Second System now has offices in Michigan, Arizona, NJ, CT and Ontario. 7 Second System was recently recognized as a member of the LexisNexis Platinum Achievement Circle.

I will continue to support Peachtree, Timeslips, QuickBooks, Amicus Attorney and BillQuick through Time & Cents Consultants.

My phone remains 203-254-7736. I can also be reached via email at caren@timeandcents.com or caren@7secondsystem.com.

Also note that Time Matters/Billing Matters and PCLaw v10 are now available. If you want to know more about these upgrades, please call me at 203-254-7736.

If you have any questions please do not hesitate to contact me. I look forward to working with you.
